EXPERIENCE

Graphic Design Intern Orion Magazine - Great Barrington, MA	01/2023 - Present
Community Engagement Advisor Retail Sales Associate Frances Jaye Boutique - Holland, MI	08/2022 - Present 08/2020 - 08/2021
• Develop diversity, equity, and inclusion training, compiling readings and activities for employees to complete on a different topic each month. • Manage a philanthropic program to donate 2% of sales to a different local nonprofit each month. • Welcomed customers into the store, shared product knowledge, and handled financial transactions (purchases, returns, exchanges) alongside a small team.	
Communications Intern The Holland Museum - Holland, MI	06/2022 - 08/2022
• Ran the social media channels, posting 5-6 times weekly; grew the Facebook page reach by 22% and the Instagram page reach by 914%. • Maintained the Wordpress website by creating/editing webpages for events and exhibitions. • Designed the marketing materials and museum panels for a history exhibition. • Researched planned giving and created a pamphlet to advise members on their options.	
Library Science Intern Hope College Van Wylen Library - Holland, MI	06/2022 - 08/2022
• Improved metadata for a previous undergraduate research project using Library of Congress subject headings and standards set by the college. • Evaluated the rare books collection to determine which should be digitized and made available online; used google spreadsheets to record the number of holdings of each book worldwide. • Provided the student perspective on a library marketing campaign; designed horizontal posters.	
Design Intern Gay Men's Health Center (GMHC) - New York, NY	02/2022 - 05/2022
• Conducted UX testing program to gather feedback on the accessibility of GMHC's HIV/STI testing appointment scheduler, culminating in a presentation of findings. • Illustrated and designed social media graphics for the "Together We Can" community program. • Presented the Director of Communications with Google Analytics-based insights to assess digital engagement and completed an audit of the websites to improve uniformity of design.
